SWEDEN

Andromeda (SE) – progressive metal

- Their fourth album "The Immunity Zone" was released in September 2008
- Amongst others they played at the Progpower USA IX during 2008
- Probably the best progressive metal band to come out of Sweden

www.andromedaonline.com
www.myspace.com/andromedaonline

Dawn of Silence (SE) – power/heavy metal

- Released their debut album "Moment of Weakness" in 2006
- Their second album was recorded in February 2008 and will be released early 2009
- A given choice for those who prefer Iron Maiden, Edguy or Avantasia

www.myspace.com/fouevernet

Lechery (SE) – classic heavy metal

- Classic heavy metal with great guitar riffs and melodies
- Martin Bengtsson (ex Arch Enemy) on vocals and lead guitar
- The album “Violator” was released in the beginning of 2008

www.myspace.com/lecheryofficial

M.A.N (SE) – new modern metal

- No dual guitars, no typical melodic metal, only great American metal straight to the face
- Released the album “Peacenemy” in august 2008
- Tony JJ (ex Mnemic) on vocals

Psychopunch (SE) – punk/rock n roll

- They describe their own music as “in your face”, but in a sophisticated way
- The album “Moonlight City” was released in early 2008
- Played at Wacken Open Air in Germany 2008

www.myspace.com/psychopunchvst

Soreption (SE) – technical death metal

- A young tech-death band which not should be underestimated
- Their EP “Illuminate the Excessive” was given 8/10 by British magazine Metal Hammer
- Will record their first full length album during fall 2008

www.soreption.com

www.myspace.com/soreption

Steel Attack (SE) – heavy metal

- The band front a new wave of metal that got a richer, darker and more complex sound
- Their latest album “Carpe DiEnd” was released in February 2008
- “Carpe DiEnd” got 100/100 by French Heavy Metal Universe

www.steelattack.com

www.myspace.com/steelattack

Thalamus (SE) – classic rock

- A very large doze of rock inspired by the 70s
- Nordic champions in Emergenza Festival 2007
- Their debut album, “Beneath a Dying Sun” was released January 2008
